Friday, from 5pm: Get together / reception with drinks and finger food; 6pm: Welcome speeches / introducing the participants / report of Warren, Doug and Manfred's journey to New York (e.g. visit to the Sony Archives), Los Angeles and San Diego; 6:30pm (or a little later): Screening of two shows by Ray (one from 1963 in black and white, one from 1981 in colour). 8pm: dinner.

Saturday: Sightseeing in groups (e.g. visit to the German Museum, walk through the centre of Munich including a visit to the famous "Hofbräuhaus" etc.), lunch at 1pm. Free time in the afternoon. Get together from 5pm, demonstration of the Zither by our organiser Willi; screening of a 1980 Brazilian TV show (75 min, colour), then dinner, the usual Ray Conniff quiz and more fun.

Sunday: Brunch. If you can stay the afternoon, we can show you more sights of beautiful Munich.

We are currently negotiating rates for accommodation and conference rooms. Therefore, it is necessary to find out about the size of the group. **If you are interested in attending the convention, please let me know until the end of June if you want a single, double or family room, using this email address:**

[thoenicke@t-online.de](mailto:thoenicke@t-online.de). You will have to book the rooms for yourselves online until a certain date. We hope to get special rates for the fans in a centrally located hotel. We'll give all registered persons instructions as to how to book, possibly by means of a code, which we intend to mail to you in early July.

Our organiser Willi and I are really looking forward to this convention and hope to meet many old and new Ray Conniff fans from all over the world. Best wishes to you all, Manfred
